Digital Arts Specialist

## EXECUTIVE SUMMARY

Dynamic Digital Arts Professional studying for a BA in Digital Arts from the University of the Witwatersrand, combining expertise in game design (Unity, Blender), front-end development (HTML/CSS, JavaScript), and user-centric design (Adobe Suite, Figma). Proven ability to craft immersive visual narratives, interactive media, and data-driven campaigns across roles in graphic design, marketing, and community engagement. A creative-technical hybrid passionate about bridging artistry with code to solve real-world challenges and elevate digital experiences.

## WORK EXPERIENCE

**Sales And Marketing Associate, Sonder Grup, JHB, SA** **Aug 2024 - Present**

- Creative Campaign Development: Design and execute visually driven marketing campaigns (social media, email, web) using Adobe Creative Suite, Canva, and Figma, blending artistic innovation with sales objectives to elevate brand visibility.
- Brand Storytelling: Craft compelling narratives for product launches and client pitches, integrating digital illustrations, animations, and multimedia content to engage diverse audiences.
- Data-Driven Design: Analyze market trends and campaign metrics (Google Analytics, CRM tools) to refine visual strategies, ensuring designs align with audience preferences and conversion goals.
- Client-Centric Solutions: Collaborate with sales teams to create tailored presentations, proposals, and branded collateral that highlight product value through sleek, user-friendly design.
- Social Media Management: Curate and schedule content across platforms, designing posts, infographics, and short-form videos that merge aesthetics with persuasive messaging.
- Cross-Functional Leadership: Partner with designers, copywriters, and product teams to ensure cohesive brand alignment, driving projects from concept to delivery.
- Sales Enablement: Develop training materials and visual guides for sales teams, simplifying complex product details into digestible, visually engaging formats.
- Event & Digital Marketing: Design assets for webinars, trade shows, and virtual events, enhancing attendee engagement through interactive layouts and immersive visuals.

**Graphic Design Intern, Ecorbit Health, JHB, SA** **Jan 2023 - Dec 2023**

- Brand-Aligned Visual Design: Created digital and print assets (social media graphics, brochures, infographics, email templates) adhering to Ecorbit's brand guidelines, ensuring consistency across platforms.
- Campaign Development: Collaborated on health awareness campaigns, designing visuals for mental health, nutrition, and wellness initiatives that boosted audience engagement by 30% (hypothetical metric—adjust as needed).

- 
- Cross-Functional Collaboration: Partnered with marketing, content, and product teams to translate complex health topics into accessible, visually compelling narratives.
  - Software Proficiency: Mastered Adobe Creative Suite (Photoshop, Illustrator, InDesign), Canva, and Figma to produce polished designs for web, print, and multimedia platforms.
  - User-Centered Design: Contributed to UX/UI improvements for Ecorbit's website and app interfaces, focusing on intuitive navigation and inclusive visual accessibility.
  - Print & Digital Production: Prepared print-ready files for promotional materials and optimized digital assets for responsive web and mobile viewing.
  - Iterative Design Process: Refined designs based on stakeholder feedback, A/B testing, and performance analytics, balancing creativity with data-driven decisions.
  - Project Management: Juggled multiple deadlines, from rapid-turnaround social posts to long-term campaign rollouts, prioritizing tasks in a fast-paced environment.
  - Creative Problem-Solving: Developed cost-effective design solutions for resource-limited projects, repurposing assets to maximize impact.

**Junior Marketing, TFS Wholesalers, Dundee, SA**

**Sep 2022 - Dec 2022**

- Digital Content Creation: Designed eye-catching social media graphics, email newsletters, and promotional materials using Adobe Creative Suite and Canva, aligning visuals with TFS's brand identity and market trends.
- Campaign Strategy Development: Collaborated on end-to-end marketing campaigns (concept-to-execution), including seasonal promotions and product launches, blending creativity with data-driven audience insights.
- Social Media Management: Curated and scheduled engaging content across platforms (Instagram, Facebook), optimizing posts for engagement and brand consistency.
- Brand Storytelling: Crafted compelling narratives for product catalogs and advertisements, emphasizing user-centric messaging to resonate with diverse demographics.
- Cross-Department Coordination: Partnered with sales, procurement, and logistics teams to ensure cohesive campaign execution, refining skills in teamwork and stakeholder communication.
- Analytics & Iteration: Monitored campaign performance via Google Analytics and social insights, adapting strategies to improve reach and conversion rates.
- Multitasking Agility: Balanced concurrent projects (design, copywriting, analytics) in a deadline-driven environment, demonstrating adaptability and time management.
- Print & Digital Design: Produced print-ready assets (flyers, brochures) and digital ads, ensuring technical precision across mediums.

**Junior Graphic Designer, Labcorp, Dundee, SA**

**Jun 2022 - Aug 2022**

- Social Media Management: Curated and scheduled engaging content (graphics, videos, infographics) across platforms like Instagram, LinkedIn, and Facebook, boosting brand visibility using Adobe Creative Suite and Canva.
-

- 
- Campaign Conceptualization: Collaborated on data-driven marketing strategies, brainstorming creative concepts for product launches and brand awareness initiatives.
  - Graphic Design & Branding: Designed digital assets (banners, email templates, promotional materials) aligned with LabCorp's visual identity, ensuring consistency across campaigns.
  - Audience-Centric Content: Researched trends and analyzed engagement metrics to tailor content for diverse demographics, refining skills in user-focused design thinking.
  - Cross-Functional Collaboration: Partnered with sales, PR, and product teams to align marketing efforts with business goals, enhancing teamwork and communication agility.
  - Content Calendar Coordination: Planned and executed monthly editorial calendars, balancing deadlines and creative quality in a fast-paced environment.
  - Digital Tool Proficiency: Leveraged tools like Hootsuite, Google Analytics, and CMS platforms to optimize content performance and streamline workflows.
  - Problem-Solving: Adapted campaigns in response to real-time feedback and metrics, demonstrating flexibility and iterative design practices.

**Executive Assistant to Chief Executive Officer,  
360 Boys, Dundee, SA**

**Jan 2022 - Jun 2022**

- HR Coordination: Managed end-to-end hiring processes (job postings, candidate screening, interviews) and assisted with termination protocols, ensuring compliance and maintaining organized employee records.
- Proposal & Invoice Design: Crafted polished client proposals, contracts, and invoices using MS Office Suite, enhancing professionalism and clarity in client communications.
- Marketing Material Creation: Designed digital assets (brochures, social media graphics, presentations) with Adobe Creative Suite/Canva, aligning visuals with brand identity and security industry standards.
- Meeting & Documentation Management: Recorded minutes, tracked action items, and organized follow-ups for executive meetings, improving accountability and workflow efficiency.
- Client Relationship Support: Assisted in preparing client reports, progress updates, and tender submissions, refining skills in persuasive communication and detail-oriented documentation.
- Process Optimization: Digitized filing systems for HR and financial records, reducing administrative bottlenecks and improving accessibility.
- Policy Development: Contributed to drafting internal guidelines for recruitment and client onboarding, fostering consistency and transparency.
- Multitasking & Prioritization: Balanced competing tasks (scheduling, urgent requests, design projects) in a high-pressure environment, demonstrating adaptability and time management.

**Radio Host, Neutral Stereo FM, Dundee, SA**

**Jan 2021 - Dec 2021**

---

- 
- **Content Creation & Storytelling:** Produced and hosted daily radio shows, scripting engaging segments, interviews, and music playlists tailored to diverse audiences, blending entertainment with cultural relevance.
  - **Audio Editing & Production:** Mastered tools like Audacity and Adobe Audition to edit broadcasts, create jingles, and produce polished audio content for on-air and digital platforms.
  - **Community Outreach Programs:** Designed and led initiatives like youth mentorship segments and local business spotlights, fostering community connection and amplifying grassroots voices.
  - **Live Audience Engagement:** Managed real-time interactions via social media, calls, and live events, refining skills in audience analysis and adaptive communication.
  - **Campaign Coordination:** Collaborated with NGOs and local organizations to promote social causes (education, health awareness), integrating creative messaging into broadcasts.
  - **Technical Troubleshooting:** Operated mixing consoles, soundboards, and streaming software, ensuring seamless live broadcasts and recording sessions.
  - **Team Collaboration:** Worked with producers, technicians, and marketers to align content with station goals, demonstrating agility in fast-paced environments.
  - **Brand Advocacy:** Represented Mutual Stereo at public events, building rapport with listeners and strengthening the station’s community presence.
